STAT

SUBJECT: Note on Middle East Oil
Ownership and Profits

Attached is an unsigned memorandum, dated 13 February, which landed on my desk on 14 February via a buck slip from the Associate DDI. I do not know who wrote this piece or why it was commissioned; nonetheless, I do think both of you will find it of interest, though it might not tell either of you anything that you do not already know.

George A. Carver, Jr.
